

OPEN UNIVERSITY OF CYPRUS
SCHOOL OF PURE AND APPLIED SCIENCES
Cybersecurity and Telecommunications Research Lab

Job description

The Cybersecurity and Telecommunications Research Lab (CTRL) is interested in hiring one (1) expert, to join our team and work on specific national and/or European funded and other R&D projects related to technological and non-technological security operations.

Employment terms

Positions will be filled with fixed-term, part-time employment contracts, and can be renewed depending on performance and the projects' needs. Insurance is provided through the national health system. A 13th month's salary is not provided. The gross monthly salary for the advertised positions will depend on the hired applicants' qualifications and experience and part-time contract type. Employer contributions are provided by the Open University of Cyprus.

Role

The expert will work with the CTRL team on the following activities: R&D activities on security operations, prepare educational material, prepare research proposals, contribute to project deliverables and research projects.

Requirements and qualifications

- Preference for a BSc, MSc, or PhD degree in related fields
- Expertise on security operations, which should include technological and operational expertise
- Expertise in dual use projects
- Experience in designing and developing related educational material and provision of relevant training
- Experience in research activities and projects
- Written and oral communication skills in English language

Applications & CVs should be submitted electronically at <https://careers.ouc.ac.cy/> apply by **Monday 11/05/2026**. For additional information about the duties, candidates are encouraged to contact Assistant Professor Eliana Stavrou at eliana.stavrou@ouc.ac.cy.
