Psct4Skills: Tackling the challenges of the European Education Area by building resilient, inclusive and forward-looking training to upskill HED students face the transformations in digital culture with new e-skills, intercultural and entrepreneurial competences

Call for Students
to join in the Pact4Skills Four Collaborative Web-based Tutorials,
Online on Mondays 06, 13, 20 and 27 February 2023, 14:00 – 16:00 (CET time)

Dear Student(s),

- Are you interested in developing and/or acquiring new digital, intercultural and entrepreneurial skills, e-skills and competences in the cultural heritage sector?
- Would you like to get an EU-recognized digital badge as a credential confirming your new skills?
- Would you enjoy to work collaboratively and online with fellow students from all over Europe?
- Would you care for an EU-recognized certification of attendance confirming your new skills?
- Are you interested to have the above for free?

If yes, we would like to invite you **to participate in our Pact4Skills opportunity** and **attend the four online collaborative web-based tutorials** for digital and entrepreneurial key competences in culture design **on Mondays 06, 13, 20 and 27 February 2023, 14:00 – 16:00 (CET time).**

What is the Pact4Skills: the Pact4Skills is a unique programme, funded by the Erasmus+ Programme of the European Union. Students join us from all backgrounds and areas to develop intercultural and entrepreneurial skills, e-skills and competences in the cultural heritage sector. Experts from six countries (Cyprus, France, Georgia, Greece, Italy, the Netherlands) are involved in the project for which you may find more information on its website: https://ivetagr.org/pact4skills/.

What are the four online collaborative web-based tutorials: 90 selected students will participate in the four online collaborative web-based tutorials to acquire skills, knowledge and competences required for entrepreneurial and museum education. We will cover issues on cultural resources (tutorial 1), digital products and services (tutorial 2), quality experiences (tutorial 3), service evaluation (tutorial 4). All sessions are participatory and enhance the teamworking spirit. For more information: https://ivetagr.org/pact4skills/project_results/pr02/.

Certification: At the end of the Pact4Skills online collaborative web-based tutorials, participants will receive an EU-recognized certification of attendance.

(No) Costs, dates, times and connection link: There is no cost for this Pact4Skills activity. Dates are **Mondays 06, 13, 20 and 27 February 2023, 14:00 – 16:00 (CET time).** Participants will receive a zoom connection link in due time.

How to apply: Please express your interest via email to g.papaioannou@ouc.ac.cy. You need to include your name and contact details, and a 50-word statement on why you want to participate in the Pact4Skills online collaborative web-based tutorials and what you expect to gain from them. As the language of the programme is English, you need to be able to communicate and collaborate in English. Please be sure to apply **by 3 February 2023.**

We look forward to receiving your details and welcoming you in the tutorials!

Best,

Prof Georgios Papaioannou
